April 2024

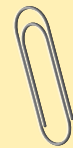

From Mrs Ayres,

We have had a great start to Term 5. The children have settled back into class successfully and we also have been able to enjoy some sunshine. We have opened up the fields and it is wonderful to see the children outside playing with their friends, reading, playing football and even making daisy chains.

Our school values

- Respect
- Friendship
- Perseverance
- Empathy
- Ambition
- Enjoyment

Each term we will be celebrating a school value and for this term we will be celebrating **Respect**.
